INDEX 1976 - 2020

*Originally prepared by Keith Randell in 1988
Updated by Peter Whight in 1993, by Bill Bailes in
2006, by Andy Violet in 2007 and revised and
updated by Keith Poole to **Autumn 2020***

Each reference within the index contains three elements, separated by oblique strokes, the first element refers to the month or quarter (Jan or Spr), the second element refers to the year and the third element refers to the page number(s)

References in **Bold** type indicate major coverage of the subject. References in *Italics* indicate a photograph
